MONDAY 21ST APRIL 2008

OUTSIDE BROADCAST

FOR MENANGLE PARK

2KY RACING RADIO, THE NATIONAL BROADCASTER FOR THE RACING INDUSTRY, WILL BE BROADCASTING LIVE FROM THE NEW-LOOK MENANGLE PARK PACEWAY ON OPEN DAY, MAY 4.

The broadcast will begin at 4am with fishing program Hi-Tide, which will then roll into Hollywood and Zorba's sports show and then into the Raceday program.

Preparations for the Open Day at Menangle Park on Sunday week continue to roll full-steam ahead.

The day, which commences at 11am with a welcome from Chairman Rex Horne at 12noon, will give the general public, trainers, drivers and owners the chance to get their first look at the new state-of-the-art Menangle facility.

Of big interest will be the 1400-metre track – the largest of its kind in Australia.

Also, guided tours of the facility and its various buildings will also take place.

The NSW Harness Racing Club will invite a collection of trainers to work their horses on the new surface, which will provide onlookers with their first taste of what's to come in the following months.

Those in attendance, after all horses have cleared the track, will be given a chance to walk the track to get an up close and personal view of the new racing surface.

Menangle Park will host a complimentary barbeque on the day.
